

FALL 2023 Chelan-Douglas School Retirees' Assoc. Mini Grant Application

CDSRA will proudly award Mini Grants of \$250 to support member teachers, para pros, bus drivers and other school employees to use when working with students. We appreciate the challenges and stresses that you will face this year. This is a small token of our appreciation for all you do. These grants are intended for special projects with students or special needs as you begin an onsite school year. This does NOT include food for students or staff, unless tied to a special project.

New this year – two \$500 Mini Grants will be offered. Be creative – show us the WOW factor!

Please include an order form, which includes the price of the item(s) you are requesting, if appropriate. If you have questions, please contact Kriss Crilly: cril@earthlink.net

Grant applications must be returned by NOVEMBER 24, 2023. If you are awarded a Mini Grant, you will be notified before Winter Break. We would appreciate it if you would share your Mini Grant success with us.

Please complete the application below. Be brief and specific. You may include additional sheets as needed.
